Hydronic Heating System

Outdoor Roof Mount

The Plaza at Gale Ranch

Office Building

Custom Control Panel

- System pump lead/lag
- System pump motor starters
- Boiler lead/lag control via supply header temperature
- Boiler setpoint control via outside air reset or remote setpoint
- Pump run and fail indication
- Single point electrical
- HWS/HWR temperature indication
- Outdoor enclosure

Proctor Sales fabricated this package for Elmco Mechanical, another manufacturer's representative in California. We were able to partner to provide the end user an economical quick install system that benefited everyone.

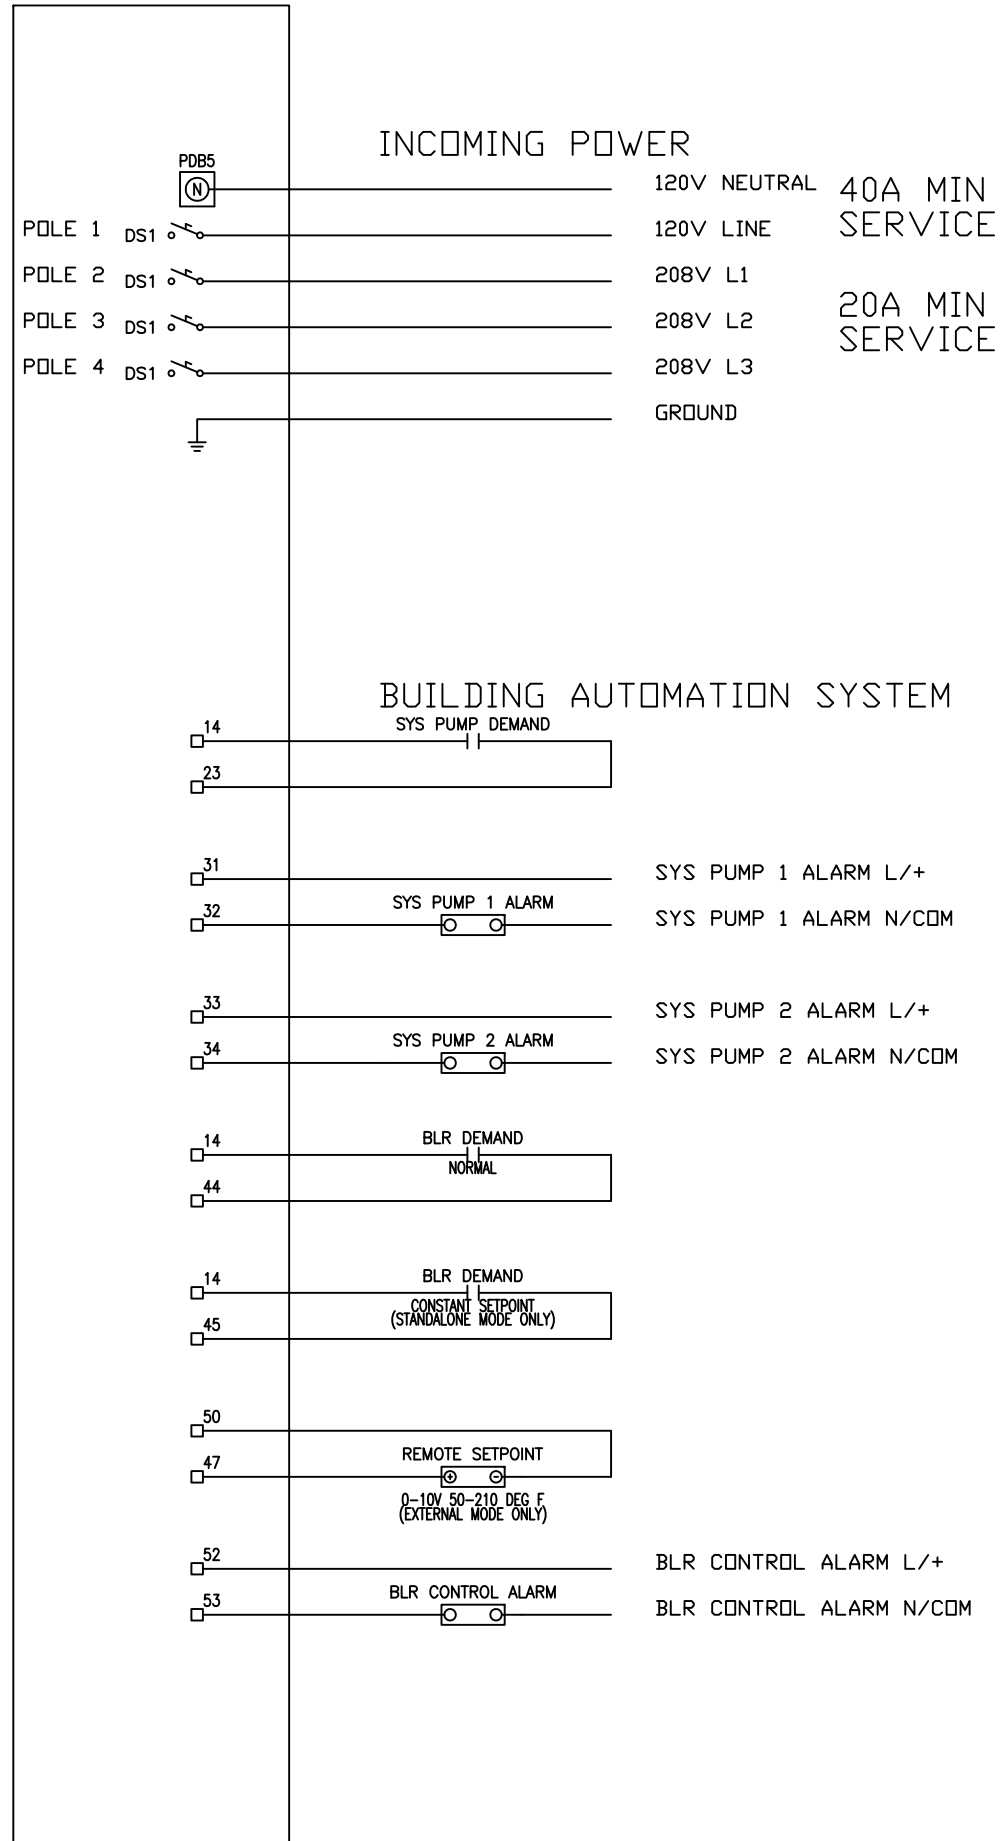

Elmco Mechanical provided the major equipment and we placed it on the steel platform and did the close piping and wiring. We also designed and built the custom control panel.

The package consists of the following equipment:

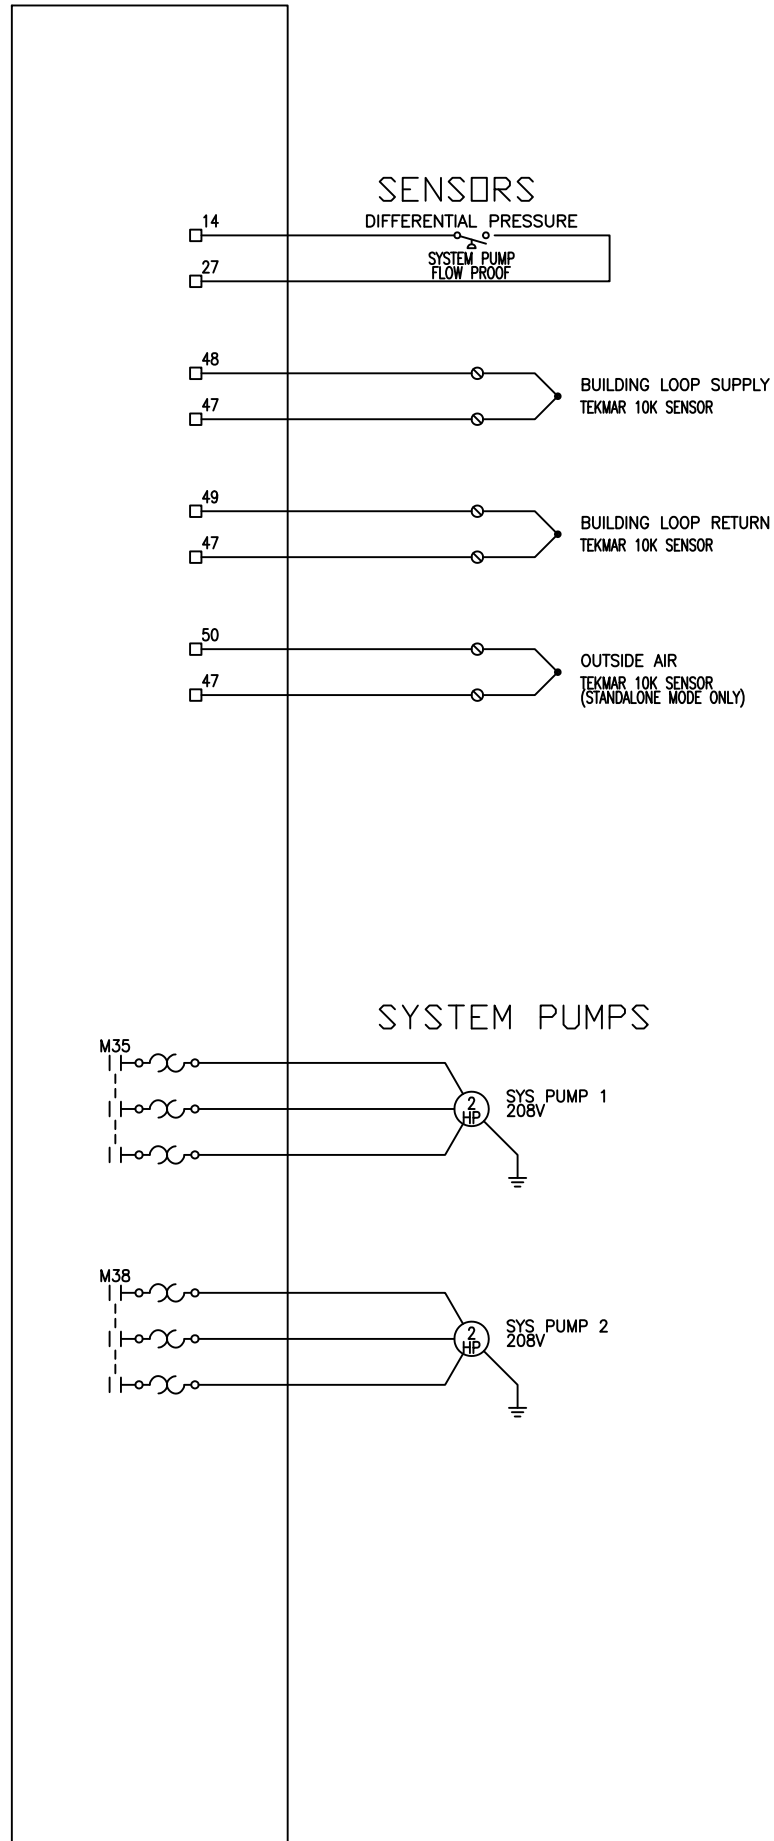

- (2) Lochinvar CHN501 Copper Fin Gas Boiler
- (2) Taco CI Series Base Mounted Pump
- (1) Taco CA Expansion Tank
- (1) Taco Air Separator
- Taco Multipurpose Valves and Suction Diffusers
- (1) J.L. Wingert Co Bypass Feeder
